Pete/Beth,

Each of you have a copy of the Cost Recovery Agreement (CRA) for the Carrier Air Conditioning Company Site. I would like to add an additional addressee, the corporate officer or the corporate attorney, to the Carrier letter. Normally, CRA are sent directly to the corporate offices as well as to the corporate officer or the corporate attorney. I do not think Mr. Wong would qualify as this, although it is acceptable to include Mr. Wong. In any case, I want to make sure that a corporate attorney or corporate officer has been alerted to this situation. Do either of you have a contact for the corporate attorney or a corporate officer?

Ray Strickland

The contact is no longer Nelson Wong - correspondence should go to :

Doug Bailey
Environmental Engineer
Carrier Corporation
United Technologies
P.O. Box 4808
Carrier Parkway, TR-18
Syracuse, New York 13221

The corporate attorney is:

Russell V. Randle
Patton, Boggs, & Blow
2550 M Steet, N.W.
Washington, D.C. 20037
